The last song and prayer service was held Thursday night in the recreation tent. The songs sung during the entire period at camp, some of which had become prime favorites, were resung with an evident religh. Mr. Peckham presided at the organ and Woodruff Sullivan accompanied on the violin. Mr. Merrill told in an engaging manner a very apropos story, using it as an introduction for an interesting and instructive talk upon 'The Conscience of the Sentinel,' In awarding the ribbons Mr. Hobson gave a talk upon the value of athletics, laying particular stress upon two valuable lessons that the proper conduct of such sports will surely teach—fairness and gentlemanly conduct. The boys then insisted upon hearing from Physical Director Peckham, who spoke feelingly regarding his high esteem of the boys.

A social hour, followed this service and several boys who are recent graduates of some of the local grammar schools entertained the camp by reciting their graduation pieces. The entire camp participated in the recital of the Gettysburg address, and the social hour was drawn to a close by singing America.

During the camp many of the parents

The second squad of eleven boys left Friday afternoon at 1.15 with Charles H. Haskell in his launch, with their baggage. On the return trip Mr. Haskell bræght back some of the boys, while others came up by train.

The camp boat, in charge of Chairman Warren Willey, was also up Friday, as next week he is to return to his home in Palmer, Mass., for the summer. Lowell Stark will remain in camp in his place.

Howard Lillie will go down to camp for the day this morning on the 8.15 train, and will take with him any other boys who want to go down if they report at the Y. M. C. A. building.

The boys in the second squad are: Guy Sullivan, William Aberg, Harold Decelles, Avery Holmes Thomas Leahy Leslie Manchester, Sidney Alling, Walter J. Shanley, Loue Stockwell, Clarence Sevin and Roy D. Gilmour.

AT CAMP BROWNING.

The first squad at Camp Browning broke camp Friday, after having thoroughly enjoyed a little more than two weeks of camp life at Groton Leng Point. Everything has been favorable for a successful affair, the weather having been particularly propitious. The only lapse upon the part of the weather clerk came upon Sunday evening and Friday. The boys returned sumburned and tanned and somewhat tired, but happy. They are loud in their praise of the conduct of the camp, and are especially pleased with the culinary department, which has been under the efficient management of Secretary Merrill. The consensus of opinion is that this year's camp has very markedly excelled those of previous years.

Thursday was a very busy day. In the early evening the two remaining athletic events were run off, the quarter mile and the obstacle swims. Both afforded much excitement. In the quarter mile swim Robinson came in first, Ellis second and Peckham third. In the obstacle race Stark won and Ellis and Sullivan finished second and third, respectively. The ribbons were awarded Thursday night by Clifton H. Hobson, chairman of the junior department. The three medals, which will go to the three who have the largest totals, will be awarded at a Camp Browning rally to be held in the Y. M. C. A. after the second squad has finished its two weeks at camp.
